**APPLICATION FOR WHOLESALER
MEMBERSHIP**

Heating, Refrigeration and Air Conditioning Institute of Canada

MEMBERSHIP REQUIREMENTS

Companies meeting the following criteria may be eligible to make application for wholesaler membership in the Heating, Refrigeration and Air Conditioning Institute of Canada (HRAI):

- a wholesaler of heating, air conditioning, refrigeration or sheet metal equipment, products, controls and/or accessories;
- with an established place of business;
- who takes title to the products he handles;
- carries an adequate stock;
- assumes credit risks;
- sells to dealer-contractors for resale or to industrial users; and
- who purchases at wholesale from original manufacturers and provides services to the trade and products for resale.
