

SkillTech Academy Offers Training On Right-Suite™ Universal (Residential)

(8:30am – 4:30pm)

Did you purchase the new Right-Suite™ Universal Residential Right-F280™, Right-Duct™ and Right-Draw® software programs and find you need some extra help in familiarizing yourself with each of the modules?

HRAI SkillTech Academy has scheduled a **2-day** Right-Suite™ Universal training seminar in **Toronto on on November 9 & 10, 2011 or March 30 & 31, 2012**. An HRAI Instructor will conduct the seminar and computers will be made available for each participant's use.

Participants will:

- ◆ Go through a basic block load calculation using an actual blueprint as a starting point, followed by:
 - A room-by-room load calculation
 - Design of a multi-zone residential system using Right-Draw® and Right-F280™
 - Design of a duct system using Right-Duct™ and Right-Draw®
- ◆ Look at various duct systems including single ducts, risers and custom ducts, also the design of cathedral ceilings, importing cad files and bitmaps and the method of cataloging

The training is intended for those individuals who currently own the Right-Suite™ Universal software program. Prior to attending this training, participants must read the manual that accompanies the software program and have some familiarity with the Right-F280™, Right-Duct™ and Right-Draw® programs.

HRAI strongly recommends that individuals interested in attending this course have prior knowledge of Residential Heat Loss & Heat Gain Calculations, Residential Air System Design and Residential Mechanical Ventilation Installation.

Space is limited to 20 participants! If you plan to attend, please complete the registration form below and fax it back to HRAI at 905-602-1197.

(Due to the expenses involved in providing this computer training session (rental of equipment), we must have 20 registrants and payments must be submitted to HRAI in advance of the course date. Please direct all inquiries to Lynn Bartoshuk at 1-800-267-2231 Ext. 230.)
