HRAI Announces Recipient of Orvil L. Davie Award

Mississauga, Ontario – HRAI Chair Rusty Jennings today announced the most recent recipient of HRAI's Orvil L. Davie Memorial Fund bursary. David Buckle of Algonquin College in Ottawa is the recipient of the \$1,000 bursary award.

David will be completing his certificate of Heating, Refrigeration and Air Conditioning Technician in August 2011. He became interested in a career in the HVACR industry because of the broad spectrum of the skills required. Mr. Larry Gravelle, Yorkland Controls presented David with his award at the Yorkland Controls Ottawa Branch in Ottawa on March 7, 2011.

Recipients of the Orvil L. Davie Bursary can apply the award to their registration/tuition fees, training materials, or travel and living expenses related to their course of study. The Orvil L. Davie Memorial Fund was established in 1987 in honour of HRAI's first Chair, Orvil L. Davie. The purpose of the fund is to encourage students to seek a career in the HVACR industry by providing bursaries to those requiring financial assistance. Over 70% of the current fund balance consists of direct donations from companies in the HVACR industry.

The Heating, Refrigeration and Air Conditioning Institute of Canada (HRAI), established in 1968, is the national trade association of manufacturers, suppliers, wholesalers and contractors in the Canadian heating, ventilation, air conditioning and refrigeration industry who provide the products and services for indoor comfort and essential refrigeration processes. HRAI has three (3) industry sector Divisions which are as follows: Manufacturers Division, Wholesalers Division and Contractors Division.
