Patenaude Receives HRAI Manufacturers Division Distinguished Service Award

Niagara-on-the-Lake, Ontario – **David Morden**, Chair of the HRAI Manufacturers Division presented the HRAI Manufacturers Distinguished Service Award to Andre Patenaude of Emerson Climate Technologies Canada at the Divisions' Annual General Meeting in Niagara-on-the-Lake, Ontario on August 26, 2011. Andre was presented with this award for his dedication and commitment to the Manufacturers Division and the Canadian industry.

During the meeting, members also offered special thanks and recognized retiring Director Scott Stevens of Broan-Nutone-Venmar for his commitment to the HRAI Manufacturers Division.

The HRAI Manufacturers Division represents companies who manufacture products for the Canadian heating, ventilation, air conditioning and refrigeration (HVACR) market. The Manufacturers Division is a division of the Heating, Refrigeration and Air Conditioning Institute of Canada (HRAI). HRAI, established in 1968, is the national trade association of HVACR manufacturers, wholesalers and contractors who provide the products and services for indoor comfort and essential refrigeration processes to the Canadian public.
