Heating System Technician Competition

The Skills Ontario Competition is Canada's largest skilled trade and technology competition.

The event will bring together 67 trades, 2,000 student competitors and 20,000 spectators over three days at the Toronto Congress Centre.

The Heating System Technician competition is one of the many trade competitions featured at the Skills Ontario Competition and will inform and engage Ontario youth to the exciting world of HVAC.

With your support we can inject new energy into the HVAC industry, attracting youth and young adults.

VOLUNTEER JUDGES

TUESDAY, MAY 2ND

7:00 A.M. – 5:30 P.M.

- Judge a practical portion of the competition i.e. piping, wiring and troubleshooting

Requirements: experienced and licensed gas fitters with G1 or G2.

EVENT TEAR DOWN VOLUNTEERS

TUESDAY, MAY 2ND

4:30 P.M. – 7:30 P.M.

- Dismantle and pack away all items for storage

To sign-up as a volunteer, please contact Kendy Sandy at ksandy@hrai.ca.
